

## **NATIONAL AWARD 2009**

**For the successful commercialization of indigenous technology**

**A. P. Organics Pvt. Ltd.**

District Sangrur, Dhuri (Punjab)

AND

**Indian Institute of Chemical Technology**

Hyderabad

For commercializing Indigenous Technology to produce High Quality Rice Bran Oil by the company employing enzymatic degumming process developed by IICT, Hyderabad.

Company has launched the branded Refined Rice Bran Oil for direct cooking purposes under the brand name "Ricela" without altering the fatty acid composition of the rice bran oil and host of minor constituents with proven nutritional benefits such as gamma oryzanol, tocotrienols, tocopherol, phytosterols, steryl esters and squalene remained intact during the enzymatic degumming, along with its excellent oxidative stability which account for tremendous importance of rice bran oil as edible oil.
